

## Development Officer Major Gifts

Do you want to join a seasoned, high-functioning, high-performing healthcare fundraising team? The Bridgeport Hospital Foundation is searching for a dynamic, energetic development officer. S/he will assume progressive responsibility for major gifts as part of an established philanthropy enterprise that is growing in strategic importance. The successful candidate could be you!!

This position is responsible for a portfolio of 125 to 150 individual prospects and donors. Duties include developing and implementing strategies for the identification, cultivation, solicitation, and stewardship of individuals for support of hospital fundraising priorities and goals. If you are looking for an opportunity to improve and expand your major gift and relationship management skills, this is the job for you.

### Qualifications

Education: Minimum bachelor's degree REQUIRED.

Licensure: CFRE preferred.

Experience: Minimum five (5) years solid major gift fundraising experience REQUIRED.
