

SENIOR DIRECTOR OF DEVELOPMENT

REPORTS TO:	VP of External Affairs & Strategy
DEPARTMENT:	Headquarters
STATUS:	Full-Time
SALARY RANGE:	\$90,000 – 110,000 Per Year

ABOUT RYASAP:

Established in 1985 and serving the greater Bridgeport region, RYASAP (Regional Youth Adult Social Action Partnership) works to ensure the safe and healthy development of youth, young adults, and families by actively engaging organizations, public officials, and community leaders around issues that matter most to the community. By creating a “neutral table,” community members bring energy and focus, allowing candid conversations to emerge and the catalyst for change to begin. RYASAP’s work tackles the tough issues that teens, their families, and their communities face: community violence prevention, gambling/substance misuse education, juvenile justice reform, mediation, personal safety, suicide prevention, teen relationships, urban education reform, and youth leadership. RYASAP’s work has created statewide “best practice” models for other programs and communities’ adoption.

PRIMARY OBJECTIVE:

The Senior Director of Development supports the President/CEO and VP of External Affairs & Strategy in building a robust fund development program comprised of major donors, foundations, corporations, and government resources. As part of the team, the Senior Director of Development will be involved in creating and implementing all RYASAP development strategies including coordinating internal and external communications and various administrative duties. This position supervises the Director of Grants, the Communications Associate and the Individual Donor Gift Manager and requires a steadfast commitment to the mission and values of RYASAP as well as a passion for justice and equity.

COMPETENCIES:

1. Strong leadership and management skills
2. Ability to work within a diverse team.
3. Superb written, verbal, and interpersonal skills
4. Highly creative and adaptable
5. Excellent time manager
6. Fundraising software expertise
7. Donor/funder focused mentality

Resource Development

1. Able to design and implement a resource development plan that generates sufficient, multi-year resources the organization needs to achieve outcomes while mitigating risk, targeting 20-30% unrestricted resources.

2. Able to set ambitious and realistic fund development goals aligned to the organization's strategy and to engage staff and board in appropriate roles to achieve them.
3. Able to translate the mission and program strategy into a compelling message that engages funding partners to invest resources.
4. Able to nurture relationships with a wide variety of current and prospective funding partners, including the ability to manage and fulfill the expectations of each.
5. Able to track and manage cultivation of various donors and funding partners through a database.
6. From a deep understanding of the organization's budget, full program expenses, and outcomes, able to identify and successfully pursue and communicate funding opportunities that are most likely to improve results.
